

Dallas' Own White Rock Tree Wizards Earns Esteemed Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Announcement March 6, 2015

White Rock Tree Wizards earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site for this past year.

"From the first call we receive to the onsite inspection, to tree care and clean up, we pride ourselves in being Dallas' tree hugging friend. Instead of being the arborist just looking up to the branches and down at the roots, we also make sure we make a connection to the people we serve."

"Only about 5 percent of the **Arborist and Tree Care** companies in the DFW metroplex have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.
